

Member Update

Date: 29 April 2022

Dear members,

Following the recent Management Committee meeting, the Committee wanted to highlight the following key dates for our Junior and Senior competitions for the year.

Juniors

Nominations for our junior Monday night program remain open throughout the year so please pass this onto any juniors interested in playing.

Following the recent Committee meeting, CTA is looking at ways to provide a refund for games that have recently been lost due to weather and construction issues.

New Build

We thank-you all for your patience during this important period for our club and during the last couple of weeks as we experienced game cancellations outside our control.

There has been accidental damage to lighting cables to fields 5, 6 and 7 and power was lost to the whole Peterson Road complex due to an Energex issue to the main power board.

CTA is currently looking into reducing fees for affected tams or reduction in team fees for those teams returning in Season 2.

Feedback received from the builders indicate that they are still on track to finish the new club house before Christmas.

COVID-19 Plan

Members are required to comply with the following:

- If you are feeling unwell, or have flu like symptoms, please stay at home
- Continue to use the Check In Qld app on arrival to the fields
- Continue to observe social distancing of 1.5 metres where possible
- Wear masks if you cannot comply with social distancing.
- Use hand sanitisers where possible

If you have any questions regarding this update, please see one of the CTA Management Committee members or the front office.

Kind regards

Herb Kerr
President
